Monthly New Product Release

We add new and exciting lines into the Core range **EVERY** month and produce a brochure highlighting these new items. Our monthly brochure shows **NEW** items, **NEW** designs, **NEW** artwork and **NEW** colours.

What is in an UNCLE BILLS Carton?

We have over 1500 different, active items in the range but one thing they have in common is a sensible carton quantity.

We tailor our carton quantities to fit smaller to medium sized stores and to allow all stock from the carton to be displayed at once without the need for back-room storage or compromising stock-turns.

Small carton quantities make reordering easy, and warehouse and store handling a breeze.

Packaging and Artwork Update

Creating Brands and Artwork

All our items use artwork designed by our own in-house graphics team. We strive to provide dynamic, eye-catching and credible artwork for each item as well as developing themes across product ranges. Artwork and packaging is now a key focus – take a look below at some of the recent improvements and developments.

We are also working on the development of brand names in a number of key categories, an exciting new stage for the UBL Core range.

Logo Your Shopping Bags!

We supply non-woven shopping bags in a range of sizes to a number of our customers in their own logos and colours. These are strong and durable bags with a hard plastic insert base and a high quality print logo on one or both sides.

Contact us for enquiries on this or any other items that you would like to source with your own company logo.

Container Packing Choices

We Can

- **HAND LOAD** containers the traditional way to maximize space and reduce freight costs
- **PALLETISE** the Core range before loading into the container
- **PALLETISE** by region or stores
- **PACK** on cardboard or plastic pallets, Double stack or single stack
- **PROVIDE** individual packing lists for each pallet

Palletised containers can save significant time for unloading, and if palletised by store stock can be sent straight out without further handling.
